

How to Assign Activities and Videos to Students in Pearson Successnet

1. Once you are logged in, at the top of the screen, hover over “content” and click on “search”
2. You can find the content you are looking for in one of three ways:
 - a. Click in the keyword search and type a keyword
 - b. Click on “Media Type” if you are not sure what you would like to assign and want to browse what’s available.
 - c. Click on “Standard” if you want to browse by standard.
3. Once you have found the activity you would like to assign, click on it.
4. Click “view” to see what it is or click “assign” to assign it to your class.
5. Choose which students to assign it to, or leave it the way it is if you want to assign it to the whole class, then click save.
