

Setting up Goals in Accelerated Reader

****Make sure your students have already taken the STAR reading test at least once****

1. Under the Accelerated Reader tab, click "Record Books and Goals"
2. Click "Reading Practice Goals"
3. Click "Select Marking Periods"
4. Select Each trimester and click "save"
5. Select the minutes of daily reading from the drop down list
6. Click "Update for all students"
7. Now each of your students will have a points goal for the trimester that they can check each time they log in.
