Learn more about capabilities on page 204.

You can view information about the last Reading Practice Quiz taken by each student in a class. You can also view information about all the Reading Practice Quizzes taken by a student through the end of the active school year.

1. On the Home page under Accelerated Reader, click **Record Books and Goals**.
2. If necessary, select your school or class or both from the drop-down lists. If you want to see only the classes you're assigned to as a teacher, regardless of the school, choose **My Classes** instead of a school.
3. Click **Reading Practice Quizzes** under Record Books and Goals to view the View Reading Practice Quizzes Record Book page.
